

e. g. with additional **Fixing clamp**
1 set (2 pieces)

This model is a completely new and innovative concept in waste collection. Though it has no lid, it is always closed.

e. g. with additional drill-twister

Drill-twister

Model # MS 02

Wire loops

Model # MS 03

The included bottom pan, light-grey, plastic, protects floor from contamination. (ABS)

automatic brake

Model # MSZ 1

With an additional locking device the collector is fixed in an open position.

Carriage: STAINLESS STEEL, welded
Plastic tray: ABS
Castors: galvanized and chromium-plated
Tread: Ø 75 mm, solid rubber in grey

Wall mount model

This version of the spring shut was created especially for wall mount applications. The carrier can be opened by means of the handle or the pedal. The frame is made of STAINLESS STEEL, is sturdy, easily cleaned and disinfected.
